ANNUAL REPORT

2021-22

PRATIK FOUNDATION is a non-profit making charitable society (NGO) for promotion of education and welfare activities registered in the **2020** and has been working hard since its establishment for the education, care of senior citizens and other various welfare programs, increasing the literacy rate, better health and propriety of the rural and slum area community. We are trying for the creation of the knowledge society by increasing literacy rate and in agriculture and allied fields through pooling of human physical, social and economic resources for the welfare of rural and urban community. We have continued our efforts during the year from 2020 till today with tremendous hope and anticipation about the rural community, farmers, unemployed youths, women and children upliftment , which are enumerated as below.

PRATIK FOUNDATION is formed by the educational, cultural, environmental improvement and Social Workers for the upliftment of the down trodden community, especially for the vulnerable class of the society and those who belong to scheduled castes, scheduled tribes and OBC. Most of the people belonging to the said community are deprived of physical, Education, Economical, and other field, they have not made the desired progress.

This Organization has been very prompt in order to find the solutions to the problem raise in the field of education, women and children belonging to weaker and backward class community and has been active in solving major aspects of education and unemployment, economical, social health and all other related problem.

The organization has been engaged in the welfare and development activities which are meant for the cause of the welfare of the weaker of the weaker sections of the rural and slum community.

The organization has identified the basic need of human being, about the education, agriculture, health, nutrition, unemployment and tried to solve through the counseling etc. Various activities have been undertaken by the organization in the year 1st April, 2021 to 31st March, 22 as given bellow.

1. Eye check up Camp:

We conducted this program at **Pune dist.** We are working on senior citizen and we routinely check up health of senior citizen. We have conducted eye check up camp for senior citizen and distributed spectacles to the needy people.

2. AIDS Awareness camp:

We are working in the field of health education, environmental protection, sanitation skill development and training and capacity building of women. AIDS is dangerous disease affect on immune system of the human body. According to world health organization maximum AIDS affected person are belonging to developed and under developed countries. India is developing country and we observe many kind of disease. Like chicken guniya, MEASLES, AIDS, TB, DIBETIES ED ETC. for that reason we have conducted a camp on AIDS awareness and immunization

3. Child labor awareness camp:

Child labor is the bad system prevailing in the society. It affects future of the country. Due to low income of the family, to fulfill needs of the family many children became victim of the child labor. Many people living their life in below poverty line and due to low income they forced to their child for labor work. We have conducted camps on labor to create awareness regarding child labor is bad practice done by the child and to force to the child to work is not good for the society. We have given information regarding various governmental schemes for child education and rehabilitations

4. Awareness program on COVID-19:

To create awareness regarding COVID-19 pandemic virus, we have conducted many awareness program online base. We have conducted awareness program through online seminar and discussion at office of the organization. We have created awareness regarding hand washing mask wearing and safe social distancing

5. Youth leadership program:

Youths are the future of India we have good number of youths but we have to create skillful youths and educated youths. We also conducted women leadership program. For this we conducted youth development camps At Organization office Pune. Our Organization has arranged the matches for youth (boys and girls) with the co-operation of municipal members from the respective wards. Prizes were distributed at the end of tournament.

6. Swachcha Bharat Abhiyan:

We are working in the field of social development health and sanitation, agriculture development farmer's empowerment and watershed development. We have conducted Swachch Bharat Abiyan at organization office.

6. Women literacy program:

We are working in the field of women and child development, training and capacity building for women. We have conducted many camps and seminars to create awareness on women literacy.

7. Loksanksruti/ cultural awareness program:

We are working in the field of conservation, preservation of local culture and arts. We have conducted many camps seminar and workshops to create awareness regarding culture

8. Women empowerment program:

Women empowerment is the main objective of our organization. We have conducted many camps to create awareness regarding women skill training, educational empowerment, and social empowerment. We have provided guidance on economic, skill training and capacity building of women.

9. Vyasnmukti program:

By observing the bad condition of the slum dwellers in drug addiction (drinking wine, smoking Cigarette, Drug, Chewing Ghutka), the organization has thought over on this problem and their serious hazards, started de-addiction counseling in few selected slum areas in **At Pune** regular guidance is given for the youths for not becoming the victim of addiction and to avoid all these bad habits and practices, so as to lead happy and healthy life with all their family members.

10. Environmental awareness camp and tree plantation:

We have conducted Awareness program on environmental **At Pune**. The decreasing trend of rain has worried the farmers. It is happening in solely due to cutting of trees. The rain has reduced in comparison to earlier trend.

11. Skill training and capacity building:

We are working in the field of women and child development, youth development, skill training and capacity building, training of SHGs, women skill training, job placement and self employment generation. We have provided guidance on skill training.

12. Welfare program for SC/St community:

We are working for social development empowerment of backward classes, poverty rehabilitation, and economic development of poor people, social integration and educational development of sc/st

13. Swachha Bharat Abhiyan program:

We are working in the field of social development women and child development, health and sanitation, swachh Bharat Mission and open defecation free villages. We have conducted village cleaning program.

14. Unnat Krushi/Agricultural development program:

We are working in the field of farmers and agricultural development. We have guide to farmers to use organic farming technique to boost their agi-product we have conducted the awareness program at Pune

15. Consumer rights protection and awareness program:

We are working in the field of Consumer rights. We have conducted many camps and seminars to create awareness on Consumer rights and provide information regarding how to appeal while violation of consumer rights, how to aware from frauds, how to identify original product and many more. We have provided information regarding consumer governmental schemes.

16. PWD/physically handicap/Divyang rights awareness

program:

Divyangjan have self respect and they also have right to life with dignity. Honorable PM has given name Divyangjan and make many scheme for rehabilitations, empowerment and give status of dignity to the Divyang people. We have conducted many awareness camps on divyangjan rights and counseling them.

17. Tree plantation program:

We are working in the field of environmental protection, biodiversity conservation, water conservation, health and sanitation. We have planted tree plants to create awareness regarding environment and climate change

18. Watershed management program:

We are working in the field of agricultural development, advance farming organic farming allied sector of farming and watershed development. We have conducted many camps seminars and workshops on water conservation, water harvesting and water management.
