ANNUAL REPORT-2023-2024

PRATIK FOUNDATION is a non-profit making charitable society (NGO) for promotion of education and welfare activities registered in the **2020** and has been working hard since its establishment for the education, care of senior citizens and other various welfare programs, increasing the literacy rate, better health and propriety of the rural and slum area community. We are trying for the creation of the knowledge society by increasing literacy rate and in agriculture and allied fields through pooling of human physical, social and economic resources for the welfare of rural and urban community. We have continued our efforts during the year from 2020 till today with tremendous hope and anticipation about the rural community, farmers, unemployed youths, women and children upliftment , which are enumerated as below.

PRATIK FOUNDATION is formed by the educational, cultural, environmental improvement and Social Workers for the upliftment of the down trodden community, especially for the vulnerable class of the society and those who belong to scheduled castes, scheduled tribes and OBC. Most of the people belonging to the said community

are deprived of physical, Education, Economical, and other field, they have not made the desired progress.

This Organization has been very prompt in order to find the solutions to the problem raise in the field of education, women and children belonging to weaker and backward class community and has been active in solving major aspects of education and unemployment, economical, social health and all other related problem.

The organization has been engaged in the welfare and development activities which are meant for the cause of the welfare of the weaker of the weaker sections of the rural and slum community.

The organization has identified the basic need of human being, about the education, agriculture, health, nutrition, unemployment and tried to solve through the counseling etc. Various activities has been undertaken by the organization in the year 2023-24 as given bellow.

➤ **Self-employment generation program:**

The project proposes to organize skill building trainings, women skill training program, sewing machine training, beauty culture, computer training program etc. if needed, once the alternate livelihood opportunities are identified and finalized by the groups. Especially the training to be organised dairy farm, goat rearing, poultry farm, Community fair shops and leaf plate making.
